

Instructions for Team Mothers

The Magnolia Little League would like to express their appreciation to each team mother for serving in this position. Your role as a team mother is very important, as you will be the main contact between your manager and the parents. You will need to pass along information such as rainouts and cancellations, concession stand duty and fieldwork days.

You may want to involve as many parents as possible to help with the telephone duties. Listed below are some of the team mother responsibilities.

1. Have a parent's meeting to distribute copies of the team roster and schedules of practices, games, and upcoming events.
2. Get a uniform to each player.
3. Ask for volunteers to help you with a team banner to be displayed on opening day.
4. Set up a schedule for parents to bring refreshments to the practices and games.
5. Set up a schedule for workers in the concession stand during your team's scheduled slot(s).
6. Collect and turn in money for candy and raffle tickets on the days specified for each team.
7. Monitor each team member for any problems with transportation for the games or practices. Remind parents to inform you and the manager about any schedule problems with games and practices. **Please make sure a parent has picked up every player before leaving all games and practices.**
8. Work with parents on organizing an end of season party (if desired).
